Lanai - Carport - Built in 60's

Line added Patio when 1960

Apr 1991 Lemon put in about 4ft NE the first post - 2ft either side of Lanai - in case we have to remove the last 4ft of hedge without removing the Lemon on the back of the Lanai Room

300" out in line with hedge Sprinkler

Joint to all Sprinkler Lines

Sprinkler 6in out to hedge + trees for season

This line broke at joint - Repair of 1992 after freeze of 1990 - Replaced by Lanai Valves

(In 1991 Hose was found again - Necessary about 300" as print

Could put T-extension to run out along
